TOW BEHIND CARTS

7P POLY CART

LP21935

- Great for hauling lawn debris, sand, dirt, mulch, firewood, and plants
- Rust proof 7 cu ft, 450 lb capacity poly cart bed
- Powder-coated steel tow bar and thick high-density poly bed
- Premium 13 in x 4 in turf-tread pneumatic tires
- Steep 54° dump angle and hands-free, quick-release foot pedal
- 2 year warranty

16YS SWIVEL POLY CART

LP68186

- Swivels up to 120° to either side
- Capacity of up to 800 lbs or 17 cu ft
- Foot pedal dump release lever
- Easy maintenance wheels
- Molded stake pockets to expand and enlarge the bed size if needed
- 2 year warranty

SPREADERS

130 lb PULL SPREADER

LP39087

- Perfect for broadcasting fertilizer, weed control, grass seed, or ice melt; coverage for about 1/2 acre
- 130 lb capacity polyethylene hopper that resists rust and cleans up easy
- Commercial grade gearbox specifically engineered to prevent corrosion
- Up to 12 ft spread pattern depending on travel speed and material used
- Optional deflector and spreader grate available
- 2 year warranty

50 lb PUSH BROADCAST SPREADER

LP31340

- Durable poly hopper
- Fully enclosed aluminum gearbox
- 10 in pneumatic tires for easy rolling
- Ergonomic split handle with adjustable height
- Positive on/off system bracket (no cable)
- Includes screen, cover and side deflector

150 lb PRO TOW SPREADER

LP79931

- Professional landscaper quality design
- 150 lb (2 cu ft) capacity; durable poly hopper
- Accu-Way™ even spread pattern adjustment
- Includes screen and cover
- Fully enclosed gear box
- Easy to reach handle

TURF PRODUCTS

CAT 1 BALLAST BOX

BXX10684

- The hitch utilizes a standard category 1 configuration for connection to the tractor category 1 hitch
- Improved tractor stability for compact utility tractors and loaders
- Bushing kit required to use with iMatch™ Quick Hitch
- 88lbs empty, filled with sand, concrete or rocks

42 lb SUITCASE WEIGHT

BUC13263

- Quik-Tatch™ 42 lb (19 kg)
- Cast iron construction
- Mount to front and rear weight brackets
- Proper ballasting is required for traction and balance when using many attachments and implements
- Refer to your operator's manual for recommended ballasting requirements

iMATCH™ CATEGORY 1 HITCH

LVB25976

- iMatch™ Quick Hitch with adjustable top hook
- Provides stable and secure connection between tractor and implements
- Easy hookup and a guaranteed fit for all category 1 implements
- Bushings required

iMATCH™ CATEGORY 2 HITCH

TY27545

- Three-point hitch coupler
- Increased clearance for implement
- Tubular and box welded steel
- Heat-treated bushings
- Easy-to-use, fast hooking/unhooking of implements
- Locking handles rotate 100°

iMATCH™ BUSHING KIT

LP19969

- Fast and simple conversion to make implements with Category 1 3-point pins compatible with iMatch™ Quick Hitch
- Coated steel components to prevent rust
- Easy installation required only a hammer
- Top link bushings included to provide a secure connection

46 in FRONT BLADE

BUC11657

- Fits 100 series
- Curved blade surface is curved to roll rather than push material
- Bolt dash on, replaceable cutting edge takes most of the wear to greatly extend the useful life of the blade
- Blade can be angled left, right, or straight
- Requires suitcase weights and rear weight bracket

LAWN SWEEPERS

44 in LAWN SWEEPER

LP49038

- 44 in clearing width
- Flow through hopper bag fills bag from top to bottom to fully utilize the space
- Easy to reach dump handle
- Large 26 cu ft capacity bag
- Patented quick and easy storage features
- Quick connect bag attaches with spring assist

42 in LAWN SWEEPER

LPSTS42JD

- 42 in working width and large 24 cu ft hamper capacity
- T-handle dump cord for easy emptying
- Height lever adjustments
- 6-brush design for better pickup
- Self-storing feature for hanging or standing upright

BAGGING SYSTEMS

POWER FLOW™ HIGH PERFORMANCE BLOWER KIT FOR ZTRAK

- Used in combination with hopper and chute to provide efficient material collection systems
- Hinged for simple install and cleaning
- Fan efficiently moves material up the chute

BG20758 - Power Flow Blower Kit for 48 in Deck

BG20759 - Power Flow Blower Kit for 54 in Deck

BG20769 - Power Flow Blower Kit for 54 in HC Deck

48 in 2-BAG MATERIAL COLLECTION SYSTEM

BUC10286

- Material collection hopper assembly with easy to empty bags
- Twin Bag with high lift blades
- 229 L/6.5 bushel capacity
- Includes hopper and chute
- Compatible with S140-S170, E140-E170, D140-D160, LA145-LA165

54 in 2-BAG MATERIAL COLLECTION SYSTEM

BUC10288

- 229 L/6.5 bushel capacity includes twin rear bagger, hopper, shoot, blower assembly and high-lift bagging blades
- Bungee cord fastener makes opening and closing the hopper easy
- Air-exhaust duct directs air from the hopper back and towards the ground
- Compatible with S180, E180, D170, LA150, LA175

LAWN IMPROVEMENT

15 gal TOW BEHIND SPRAYER

LP19478

- 15 gallon tank with recirculation
- 100 PSI, 2.2 GPM Remco diaphragm-type pump
- Adjustable grass spray wand tip streams up to 30 ft; 19 ft hose
- Check valves in boom tips prevent siphoning and dripping
- Control valve direct spray to either the boom or spray wand
- Built in supports for convenient vertical storage

48 in TOW BEHIND PLUG AERATOR

LPPA48JD

- Remove 3 in soil plugs from the lawn
- All-steel weight tray holds 250 lbs
- 48 seat treated plugging spoons
- 4.10 X 3.5-4 pneumatic transport wheels
- Transport mode easily engaged via lever
- 2 year warranty

ZTrak™ GRASS GROOMER

LP36265

- Easily mounts with hand tools
- Durable and flexible
- Fits EZTrak 48 in, 54 in, and 60 in HC mower decks
- Adjust to varying ground conditions
- Simple height adjustment in seconds

GATOR ACCESSORIES

GATOR BRUSH GUARD

BUC10679

- Heavy-duty, 44.45-mm (1.75 in) diameter, steel tube construction
- Welded steel brush guard provides protection for the front grille, lights, and hood
- Easy-to-use quick pull pins allow the brush guard to be hinged forward to gain access under the hood
- Mounts for auxiliary light-emitting diode (LED) lights (sold separately)

GATOR WARN WINCH 450LBS

BUC10682

- Impressive pulling capacity of 2041 kg (4500 lb)
- Water-resistant conductor that supplies the amperage required for higher pulling capacities
- Includes a 3.05 m (10 ft), water-resistant, plug-in remote for safe distance operation that plugs directly into the glove box

GATOR WINDSHIELD

BM25922

- Made from abrasion resistant polycarbonate material
- Hinged at the bottom for easy under-hood access
- Lower panel is positively retained when flipped up for ventilation
- Reinforced with metal brackets and durable cast-metal hinges
- Easily attaches to the OPS with six P-clamps

GATOR SIDE TOOL RACK

BM22775

- Maximize the use of their cargo box
- Carry long-handled tools, such as trimmers, shovels, and rakes, on the outside of the box
- Adjustable holders allowing the users to carry a wide array of items in the racks.

GATOR REAR SCREEN

BUC10281

- Provides additional protection to the operator and passengers
- Perforated black metal screen easily attaches to the OPS
- Call today to find out model/availability for your Gator

GATOR LED DRIVING LIGHTS

BM26215

- The LED driving lights can be mounted on the front occupant protective structure (OPS), front cab, rear OPS, rear cab, or brush guard
- Beam pattern: driving (focused, intense beam of light good for illuminating a stretch of road directly in front of the vehicle)

GATOR ACCESSORIES

POLY CAB DOOR KIT

BUC10292

- Desirable four-season weather protection
- Reinforced with steel tubing for rigidity
- Heavy-duty automotive style latches and strikers
- Locking door handle
- Large glass sliding windows provide excellent side-to-side visibility
- Standard side rear view mirrors

GATOR IN CAB HEATER

VGA1267

- Includes all hardware, fittings, hoses, and specialty tools.
- Adjustable vents and a high CFM blower
- Ample heat to defrost the windshield and heat up hands and feet
- 14600 BTU Output

GATOR STEREO MOUNT KIT

BM24453

- Convenient netted storage area to store items such as, sunglasses, CDs, and maps
- Two pre-mounted speakers
- Two interior lights; each light can be independently operated
- A 3-switch bank to operate various roof and OPS mounted accessories

DISPLAY AND RECEIVER INTEGRATION KIT

BUC11814

- Allows mounting a StarFire™ Receiver and GreenStar display
- Compatible with StarFire™ iTC, 3000, 6000, 7000, and 7500 Receivers, as well as 4240, 4640, G5, and G5Plus Universal Displays
- Pivoting bracket with a display power switch, hardware for mounting to a poly roof or cab, and requires additional parts for OPS installation.

GATOR RADIO WITH MICROPHONE

SWJHD62

- 7-Channel NOAA weatherband tuner with "Weather Alert"
- MP3/WMA compatible and SiriusXM ready
- Selectable electronic AM/FM US/Euro tuner and radio broadcast data system text display
- Full iPod/iPhone controls via front and rear USB and USB (iPod, MP3)

GATOR FULL WINDSHIELD

BUC10574

- Easily installs in minutes
- Made from two-sided, abrasion-resistant polycarbonate
- Seals against the occupant protective structure (OPS)
- A rear-panel option is recommended when a full windshield is installed to help keep dust out of the operator station
