JOHN DEERE

# TOW BEHIND CARTS

## 7P POLY CART

*LP21935*

- Great for hauling lawn debris, sand, dirt, mulch, firewood, and plants
- Rust proof 7 cu. ft. poly cart bed, 450 lb capacity
- Premium 13" x 4" turf-tread pneumatic tires
- Steep 54° dump angle and hands-free, quick-release foot pedal
- Up to 2 year warranty

## 8Y CONVERTIBLE POLY UTILITY CART

*LP22755*

- Durable one-piece poly bed cleans up easily, with 300 lb, 8 cu. ft. capacity
- Unique convertible hitch changes cart from tow model to push wheelbarrow without tools
- Knobby tread tires roll easily over the lawn
- Single lever release dump mechanism
- Universal hitch attaches easily and quickly to all tractors

## 10P POLY UTILITY CART

*LPPCT10JD*

- Rust-proof poly bed holds up to 650 lb (10 cu. ft.)
- 56° bed dumping angle
- Premium 15" x 6" pneumatic tires for traction and shock absorption
- Trailer tongue features no-slip, diamond-plated foot pedal for hands-free quick release empty
- Steel trailer tongue with universal hitch pin

## 18CU.FT. STEEL UTILITY CART

*LPHDC18JD*

- 45° dump angle, steel release handle
- 1000 lb, 18 cu. ft. load capacity
- Universal hitch attaches to most riding lawn mowers and lawn tractors
- Includes a hitch pin
- Recessed flat bold heads won't disrupt shoveling material from the bed
- Up to 2 year warranty

# TOW BEHIND

## 48 in TOW-BEHIND PLUG AERATOR

*LPPA48JD*

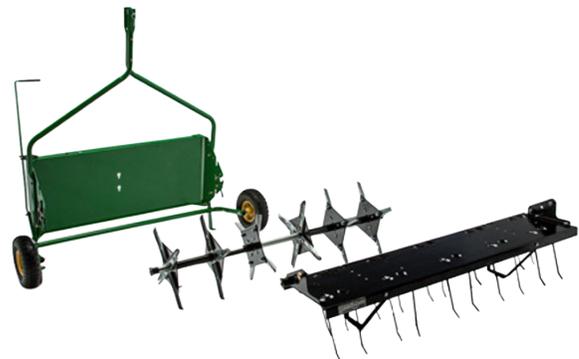

- Aerator with up to 3" deep plugs to allow penetration of air, water, and nutrients and relieve soil compaction
- 48" width for excellent productivity
- Heavy-duty construction for high hour use
- Three-position lift lever
- Adjusts for 2" or 3" of penetration
- 48 carbonized-steel plugging tines in 12 rows spaced 4" apart
- 250 lb capacity weight tray
- 1 in. diameter steel tine shaft
- Nyliner® tine shaft bearings
- 4.10 x 3.5-4 pneumatic tires

## DETHATCHER/ AERATOR MULTI-TOOL

*LP39089*

- 40" weight tray - capable of holding up to 100 lb weight
- Pre-assembled core aerator - relieves soil compaction allowing air, water and fertilizer to the grass roots
- Dethatcher - removes unwanted debris from the top of the soil to allow nutrients to reach the grass roots
- Elongated handle - makes it easier to raise into transport or lower for use
- Spring assisted lever - makes changing the attachments quick and easy
- John Deere is combining the best lawn tools into one package
- Up to 2 year warranty

# SPREADERS

## 10 CU.FT. IN-BED SPREADER

*LP69906*

- 3.5" weatherproof, color display provides you with intuitive spreader controls
- 10 cu. ft. poly hopper for high volume of spreading ice melt materials
- 3" diameter steel auger w/ direct drive and variable speed
- 12" diameter steel spinner w/ spread up to 30' wide.
- Vibratory motor features four modes (low, high, pulse, ramp)
- Top screen prevents clumped material from entering the hopper
- Fitted tarp helps keep material dry

## 5 lb HANDHELD SPREADER

*LP35445*

- Ideal for spreading seed, fertilizer, ice melt
- 5 lb capacity
- Funnel shaped hopper
- Adjustable flow gate
- Ergonomic trigger handle for comfort and extended use

## 50 lb PUSH BROADCAST SPREADER

*LP31340*

- 50 lb capacity; durable poly hopper
- Fully enclosed gearbox for enhanced durability
- 10" pneumatic tires for easy rolling
- Ergonomic split handle with adjustable height
- Positive on/off system bracket (no cable)
- Includes screen, cover and side deflector

# SWEEPERS

## 44 in LAWN SWEEPER

*LP49038*

- 44" clearing width
- Easy to reach dump handle
- Large 26 cu. ft. capacity bag
- Patented quick and easy storage features
- Quick connect bag attaches with spring assist
- Flow through hopper bag fills bag from top to bottom to fully utilize the space

## 42 in LAWN SWEEPER

*LPSTS42JD*

- 42" working width and large 24 cu. ft. hamper capacity
- T-handle dump cord for easy emptying
- Height lever adjustments
- 6-brush design for better pickup
- Self-storing feature for hanging or standing upright

# SPRAYERS

## 25 gal PORTABLE SPRAYER

LP19490

- 100 PSI SHURflo diaphragm-type pump is designed for high hour commercial applications
- Equipped with a 19' hose to Spray Wand
- The fully adjustable brass spray wand tip achieves streams up to 30'
- Spray Wand is constructed of non-corrosive polypropylene material for multi-use applications
- Two-wire fused wiring harness complete with quick-disconnects for convenient electrical hookup

## 45 gal TOW BEHIND SPRAYER

LP20485

- 45 gal/90' boom
- 100 PSI SHURflo diaphragm-type pump is designed for high hour multi-use commercial applications
- The fully adjustable 19' hose and non-corrosive brass spray wand tip achieves streams up to 30'
- Two-wire fused wiring harness complete with quick-disconnects for convenient electrical hookup

## 25 gal TOW BEHIND SPRAYER

LP19479

- 25 gal/60' boom
- 100 PSI SHURflo diaphragm-type pump is designed for high hour multi-use commercial applications
- The fully adjustable 19 ft hose and non-corrosive brass spray wand tip achieves streams up to 30'
- Two-wire fused wiring harness complete with quick-disconnects for convenient electrical hookup

# BAGGING SYSTEMS

## POWER FLOW™ HIGH-PERFORMANCE BLOWER KIT FOR ZTRAK™

- Used in combination with hopper and chute to provide efficient material collection systems
- Hinged for simple install and cleaning
- Fan efficiently moves material up the chute

*BG20758* - Power Flow™ Blower Kit for 48" Deck

*BG20759* - Power Flow™ Blower Kit for 54" Deck

*BG20769* - Power Flow™ Blower Kit for 54" HC Deck

## 48 in 2-BAG MATERIAL COLLECTION SYSTEM

*BUC10286*

- Material collection hopper assembly with easy to empty bags
- Twin Bag with high lift blades
- 6.5 bu capacity
- Includes hopper and chute
- Compatible with S140-S170, E140-E170, D140-D160, LA145-LA165

## 54 in 2-BAG MATERIAL COLLECTION SYSTEM

*BUC10288*

- 6.5 bu capacity includes twin rear bagger, hopper, shoot, blower assembly and high-lift bagging blades
- Bungee cord fastener makes opening and closing the hopper easy
- Air-exhaust duct directs air from the hopper back and towards the ground
- Compatible with S180, E180, D170, LA150, LA175

# TURF PRODUCTS

## CAT 1 BALLAST BOX

*BXX10684*

- The hitch utilizes a standard category 1 configuration for connection to the tractor category 1 hitch
- Improved tractor stability for compact utility tractors and loaders
- Bushing kit required to use with iMatch™ Quick Hitch
- 88 lb empty, filled with sand, concrete or rocks

## 42 lb SUITCASE WEIGHT

*UC13263*

- Quik-Tatch™ 42 lb
- Cast iron construction
- Mount to front and rear weight brackets
- Proper ballasting is required for traction and balance when using many attachments and implements
- Refer to your operator's manual for recommended ballasting requirements

## iMATCH™ QUICK HITCH COUPLER ATTACHMENT, CAT 1

*LVB25976*

- iMatch™ Quick Hitch with adjustable top hook
- Provides stable and secure connection between tractor and implements
- Easy hookup and a guaranteed fit for all category 1 implements
- Bushings required

## iMATCH™ QUICK HITCH ATTACHMENT CAT II

*TY27545*

- Three-point hitch coupler
- Increased clearance for implement
- Tubular and box welded steel
- Heat-treated bushings
- Easy-to-use, fast hooking/unhooking of implements
- Locking handles rotate 100°

## iMATCH™ BUSHING KIT

*LP19969*

- Fast and simple conversion to make implements with Category 1 3-point pins compatible with iMatch™ Quick Hitch
- Coated steel components to prevent rust
- Easy installation required only a hammer
- Top link bushings included to provide a secure connection

## 46 in FRONT BLADE

*BUG11657*

- Fits 100 series
- Curved blade surface is curved to roll rather than push material
- Bolt dash on, replaceable cutting edge takes most of the wear to greatly extend the useful life of the blade
- Blade can be angled left, right, or straight
- Requires suitcase weights and rear weight bracket

# GATOR ACCESSORIES

## GATOR BRUSH GUARD

*BUG10679*

- Heavy-Duty 1.75" diameter, steel tube construction
- Welded steel brush guard provides protection for the front grille, lights, and hood
- Easy-to-use quick pull pins allow the brush guard to be hinged forward to gain access under the hood
- Mounts for LED lights sold separately

## GATOR WARN WINCH 4500 LB

*BUG10682*

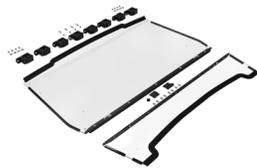

- Impressive pulling capacity of 4500 lb
- Water-resistant conductor that supplies the amperage required for higher pulling capacities
- Includes a 10' water-resistant, plug-in remote for safe distance operation that plugs directly into the glove box

## GATOR WINDSHIELD

*BM25922*

- Made from abrasion resistant polycarbonate material
- Hinged at the bottom for easy under-hood access
- Lower panel is positively retained when flipped up for ventilation
- Reinforced with metal brackets and durable cast-metal hinges
- Easily attaches to the OPS with six P-clamps

## GATOR SIDE TOOL RACK

*BM22775*

- Maximize the use of their cargo box
- Carry long-handled tools, such as trimmers, shovels, and rakes, on the outside of the box
- Adjustable holders allowing the users to carry a wide array of items in the racks.

## GATOR REAR SCREEN

*BUG10281*

- Provides additional protection to the operator and passengers
- Perforated black metal screen easily attaches to the occupant protective structure (OPS)

## GATOR LED DRIVING LIGHTS

*BM26215*

- The LED driving lights can be mounted on the front or rear cab, brush guard, or the occupant protective structure (OPS)
- Beam pattern: driving (focused, intense beam of light good for illuminating a stretch of road directly in front of the vehicle)

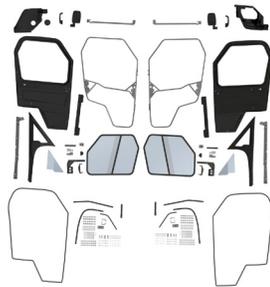

# GATOR ACCESSORIES

## POLY CAB DOOR KIT

*BUG10292*

- Desirable four-season weather protection
- Reinforced with steel tubing for rigidity
- Heavy-duty automotive style latches and strikers
- Locking door handle
- Large glass sliding windows provide excellent side-to-side visibility
- Standard side rear view mirrors

## GATOR IN CAB HEATER

*VGA1267*

- Includes all hardware, fittings, hoses, and specialty tools.
- Adjustable vents and a high CFM blower
- Ample heat to defrost the windshield and heat up hands and feet
- 14600 BTU Output

## GATOR STEREO MOUNT KIT

*BM24453*

- Convenient netted storage area to store items such as, sunglasses, CDs, and maps
- Two pre-mounted speakers
- Two interior lights; each light can be independently operated
- A 3-switch bank to operate various roof and OPS mounted accessories

## DISPLAY AND RECEIVER INTEGRATION KIT

*BUG11814*

- Allows mounting a StarFire™ Receiver and GreenStar display
- Compatible with StarFire™ iTC, 3000, 6000, 7000, and 7500 Receivers, as well as 4240, 4640, G5, and G5Plus Universal Displays
- Pivoting bracket with a display power switch, hardware for mounting to a poly roof or cab, and requires additional parts for OPS installation

## GATOR RADIO WITH MICROPHONE

*SWJHD62*

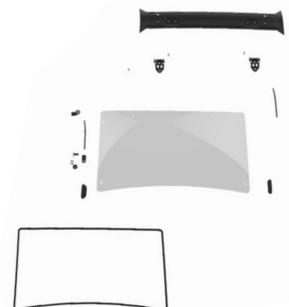

- 7-Channel NOAA weatherband tuner with "Weather Alert"
- MP3/WMA compatible and SiriusXM ready
- Selectable electronic AM/FM US/Euro tuner and radio broadcast data system text display
- Full iPod/iPhone controls via front and rear USB and USB (iPod, MP3)

## GATOR FULL WINDSHIELD

*BUG10574*

- Easily installs in minutes
- Made from two-sided, abrasion-resistant polycarbonate
- Seals against the occupant protective structure (OPS)
- A rear-panel option is recommended when a full windshield is installed to help keep dust out of the operator station
